STAINLESS STEEL EQUPMENT

INTRODUCTION ABOUT US

INOTECH is a stainless steel company located in Riyadh, Kingdom of Saudi Arabia, which was established in 2010.

INOTECH is specialized in all kinds of stainless steel fabrication.

Over the past 8 years, Inotech become one of the largest manufacturers and suppliers of stainless steel items and kitchen equipment to the hospitality industry in Riyadh and overseas.

All stainless steel types of equipment are made with meticulous care and expertise that comes from over three decades of experience and pride in producing top-quality all-steel kitchen equiment.

INOTECH has a well-versed team in the stainless steel industry to satisfy every type of request and ensure efficiency and safety in accordance with international regulations.

High quality of our products, flexibility, fast product delivery, customer service available and satisfaction of customized requests are our points of strength in sales.

INOTECH keeping its innovative style without compromising on its policy of quality aims to be the leading company of sector in every field it makes production.

Quality, flexibility, and innovation are features that distinguish INOTECH.
